

Compound Semiconductor Week 2022  
June 1-3, 2022  
University of Michigan, Ann Arbor

# JOIN US AT CSW 2022!

We invite your organization to participate as an exhibitor!

**The Compound Semiconductor Week (CSW) is the premier forum for science, technology, and applications of compound semiconductors.**

CSW will be offered hybrid in 2022.

CSW 2022 continues the tradition of bringing together the compound semiconductor community to discuss the most recent advances in the field. After the successful meetings in Stockholm, Sweden in 2021 (held virtually due to Covid-19), Nara, Japan (2019), and Boston, USA in 2018, CSW comes back to the US, to the beautiful college town of Ann Arbor, Michigan, a perfect setting to reunite the semiconductor community. As in previous years, CSW combines both the International Symposium on Compound Semiconductors (ISCS, now in its 48th year) and International Conference on Indium Phosphide and Related Materials (IPRM, now in its 32nd year) conferences into a single integrated event.

## Topics to be presented include:

- Narrow Bandgap materials
- Nanostructures
- Novel materials and characterization
- Wide and ultra-wide bandgap materials
- High frequency devices
- Power electronics
- Semiconductor lasers and LEDs
- Semiconductor physics
- Optoelectronics and Integrated Photonics
- Organic semiconductors and flexible electronics
- Other novel device concepts including ferroelectrics, spintronics etc.
- Quantum electronic and photonic devices

## Chair information:

### Prof. Grace Xing

Cornell University, General Chair

### Prof. Zetian Mi

University of Michigan,  
Technical Program Chair

### Prof. Patrick Fay

Univ. Notre Dame,  
Vice Technical Program Co-Chair

### Prof. Srabanti Chowdhury

Stanford University,  
Publication and Publicity Chair

### Prof. P.C Ku

University of Michigan,  
Local Organization Chair

### Prof. Parag Deotare

University of Michigan, Hybrid  
Platform Organization Chair

### Prof. Tomás Palacios

MIT, Past General Chair

# EXHIBITOR INFORMATION

## Location

The Michigan League  
911 N. University Ave.  
Ann Arbor, MI 48104

## Exhibit Dates

**Tuesday, May 31 - Friday, June 3** (tentative)

Once the technical program has been finalized, exhibit hours will be set to maximize prime networking opportunities, including coffee breaks and evening poster sessions.

## Exhibitor Move-In

 (tentative)

**Tuesday, May 31, 10:00 a.m. - 1:00 p.m.**

## Exhibit Pricing

**Standard Booth (in person)**.....\$1,500

**E-Booth (virtual)** .....\$1,500

**Literature Display** .....\$500

## Exhibit Booking

Interested exhibitors should confirm their registration and format preference (in person or E-Booth) to CSW no later than **May 2, 2022**. Cancellations received after May 2, 2022, no refunds will be made.

## In person Standard booth includes:

- One 8' skirted table and two chairs
- One technical badge for session access
- Company flyer with QR code to materials will be printed/displayed on registration table

## E-booth (virtual) includes:

- Interactive display featuring computer set up in prime conference location for attendees to speak with company representatives during coffee breaks and lunch time hours
- Link / log in information is the responsibility of the company (Zoom, Microsoft Teams, etc). CSW staff will log into your account in Ann Arbor.
- One technical badge for session access
- Company flyer with QR code to materials will be printed/displayed on registration table

## Literature Display includes:

- Paper or banner displays are unstaffed and will be located near high traffic areas such as registration and exhibits
- Company flyer with QR code to materials is preferred and will be printed/displayed on site
- Secondary option is sending printed materials, suggested amount is 250.
- Technical badge for sessions is not included

## QUESTIONS

Questions can be directed to

Prof. Srabanti Chowdhury,  
Stanford University, Publication  
and Publicity Chair at
